Welcome and Opening

Greg Jameson called the meeting to order at 10:03 am. General introductions and roll call.

Approve Agenda

There was an addition to the agenda. There is an opening for a state representative as BJ Covington has left the Iowa DOT and it was added to the agenda. Jeff Miller made a motion to approve the meeting agenda and it was 2nd by Anya Butt. All members present voted aye.

Voting for New Board Officers

Greg reviewed the open positions on the IGIC Board.

The Vice-Chair is a three year commitment. Niccole Schippers was nominated for the position with no opposition. All members present voted aye.

The Secretary is a one year commitment. There were two nominations: Micah Cutler and Anya Butt. Anya received the majority of the aye votes.

The Treasurer is a one year commitment. Josh Obrecht was nominated for the position with no opposition. All members present voted aye.

Board Representation - State Sector

With BJ Covington leaving his state position, there is an open spot on the Board for a representative from a state position. Brad Cutler nominated Adam Shell, who is the GIS Coordinator with the Iowa DOT. There were no other nominations. All members present voted aye.

Treasurer's Report

Josh Obrecht gave a Treasurer's Report. Current balance as of 7/19/2023 is \$29,214.70. IGIC has paid the Esri site license for 2023-2024 and Josh is still expecting payments from three participating schools. Taxes will be done before the Fall 2023 meeting in October.

GIS Facility Funding

Robin McNeely requested \$2,800 in IGIC funding on behalf of the ISU GIS Facility. This is a recurring request for over a decade. This money is intended to support the ortho server hardware and staff time to maintain it. Jeff Miller made a motion to support the ISU GIS Facility with \$2,800 and it was 2nd by Anya Butt. All members present voted aye.

K-12 State Licensing

Amy Logan and Debbie Stevens were looking at increasing participation in the annual map contest and, in conjunction, supporting the K-12 state licensing as that can be a burden on schools. There was a discussion about how that support would look like and the difficulty with working in schools. One possibility is hosting a lunch and learn webinar that could be recorded and shared.

Energizing Committees

Greg Jameson reviewed the current standing committees, listed below with their respective chairs:

- Membership Committee - Niccole Schippers
- Finance Committee - Josh Obrecht
- ByLaws - Ben Wagner
- Conference - supporting ITAG
- Education - Amy Logan, Debbie Stevens, Robin McNeely
- Outreach Committee - turned into Website Committee - Josh Obrecht

Greg challenged members to be thinking about what they would like to participate in; what their passions are.

Education Committee Report

Amy Logan reported that a "Geospatial Technology in the Classroom" workshop was held at Iowa State University. They reviewed available resources, including Survey 123, StoryMaps, and web apps. They mentioned the IGIC mini grant that may be potentially available to the participants for GIS related projects or needs. Patrick Wilke-Brown mentioned that it would be great to get an IGIC member on the Iowa Stem Advisory Council. Information can be found at <https://iowastem.org/>.

Robin McNeely asked that someone from the IGIC Board would take over her role in the Education Committee that oversees more college-level education opportunities and internal membership workshop/training opportunities. She is retiring at the end of 2023.

Anya Butt mentioned the annual [Iowa Academy of Science](#) meeting how she'd like to see a category for GIS, maybe a poster display. It was discussed how IGIC could support students to attend on expenses such as hotel and food. The next meeting is in April 2024 at the University of Northern Iowa.

Anya Butt also would like to see a series of videos about how GIS is being used in jobs.

ITAG Venue Planning Committee

Niccole Schippers reported that this committee has been reviewing locations for future ITAG conferences. This committee is a joint venture between IGIC and ICIT. The current contract at the West Des Moines Sheraton ends in July 2024. Niccole reviewed the general requirements they were looking for and expected to announce a location in August.

The Board needs to authorize the current IGIC Chair (Greg Jameson) to sign a contract for the new ITAG venue, along with the ICIT Chair. Jeff Miller made a motion to authorize Greg Jameson to sign the forthcoming contract and it was 2nd by Anya Butt. All members present voted aye, except for 1 nay vote.

911 Council Liaison

Lawrence Hartpence is the current IGIC representative on this committee with the state. Lawrence and Greg Jameson have spoken with a few interested individuals. IGIC will continue to be the nominating organization for this position.

Current nominations are Jeff Miller (Dubuque County); Sarah Haberl (Carroll County), and Cory Hines (City of Cedar Falls). All members present voted with the following results:

Cory Hines - 0
Jeff Miller - 11
Sarah Haberl - 4

State of Iowa Activities

Patrick Wilke-Brown reported that broadband continues to be a priority. He also discussed using repurposed NG911 data. The state has been meeting regularly concerning LiDAR and updating a state LiDAR plan for Iowa.

Lunch & Learn Topics - Micah Cutler

Micah reported that the Lunch & Learn webinar series will be back on August 16, 2023, with a topic about NG911 updates in Iowa. Please keep contacting Micah Cutler at mcutler@schneidergis.com with topic and presentation suggestions.

Other Projects, Conferences, Representatives, and Regional User Groups

Ben Wagner reported that the Eastern Iowa GIS User group will hold a meeting on November 15, 2024.

Next Meeting

The next IGIC meeting will be on Wednesday, October 18, 2023, at 10:00 AM.

Adjourn

Ben Wegner made a motion to adjourn and it was 2nd by Jeff Miller . All members present voted aye. The meeting was adjourned at 12:04 pm.

Respectfully Submitted,
Micah Cutler
IGIC Secretary (former)
